## Fraud Alert

### IBEW & United Workers FCU is Reporting Counterfeit Cashier's Checks Circulating in Its Name.

IBEW & United Workers Federal Credit Union has reported that counterfeit Cashier's Checks are circulating in its name. The counterfeit checks were created after a member of the credit union had a check stolen from him.

The counterfeit checks do not look like legitimate Cashier's Checks issued by the credit union. The counterfeit checks have an altered name and address for the credit union and include a fictitious signature. Additionally, the counterfeit check only includes the payee's name, but should include the address as well. An image of the counterfeit check is displayed below:

---

Legitimate Cashier's Checks issued by the credit union include the credit union's logo in the upper left corner of the check along with its address and phone number. The check includes the payee's name and address in the "pay to the order of field" and states that the checks are void after 90 days.

To verify issuance of an IBEW & United Workers Federal Credit Union Cashier's Check, you can contact the credit union at 503.252.5315
